ST. GEORGE

ADAMSTOWN OVAL

KICK-OFF 7-00PM.

THE ST. GEORGE HOME MATCH.

Dispute continues over our St. George home match to be played on the weekend of 13/14 September.

The NSL is adamant that the game will be played, with all other NSL last round matches, at 3-00pm on the Sunday afternoon. The NNSW Soccer Federation is equally determined that it won't - thus avoiding a clash with the State First Division Preliminary Final to be played that afternoon.

As Newcastle Rugby League will play it's Grand Final also on Sunday afternoon, we would love to play on Saturday evening and avoid both events.

It is an interesting point that 10% of the criteria for admission to the 1987 NSL is based on crowd support. We would certainly be affected, in terms of crowd, by the NSL's insistence that we clash with other events. What a farce, if, for instance, we were forced to play Sunday so that 'no team gained an advantage by playing at a different time' only to find that bad weather in Adelaide, Brisbane or Canberra had forced the cancellation of matches until later? It wouldn't be the first time!
